SKILLS

PROCESSES

TOOLS

PERSONAL

EXPERIENCE

TEST ENGINEER

2017 – present

WAES (allocated @ ASML)

- Implemented the test strategy for multiple teams, defining the functional level test automation framework.
- Shaped the Way of Working for quality in the team (from defining requirements for Behavior Driven Development to producing automated documentation).
- Participated in a joint effort to find best practices applicable to other teams in the division.

QA TECHNICAL SPECIALIST

2014 – 2017

Wipro Technologies (allocated @ Mastercard)

- Spearheaded manual-to-automation transition of QA Team.
- Led QA in newly formed Technical Specialists Team.
- Created the first ever Quality Assurance upscale training to help a team with various levels of experience to scale up multiple degrees in short time.
- Delivered a workshop to make development teams across the company more quality oriented and cross functional.

TEST LEAD

2013 – 2014

Telefônica Brasil (former Global Village Telecom)

- Created and standardized a tool to generate test execution daily reports for all active projects.
- Led the definition of a Quality Assurance framework for testing teams.
- Automated the setup of test environments reducing a 4 hours effort to 20 minutes.

QA CONSULTANT

2011 - 2012

Cognizant Solutions (allocated @ JMalucelli Seguradora)

- Built the QA process of the client company from ground up, with no ALM tools.
- Nominated by Travelers consultants to interchange roles between QA and project manager whenever required.

TEST COORDINATOR

2009 - 2011

HSBC Global Technology

- HSBC RISE awarded for efforts in mentoring new team members.
- Orchestrated multi-functional, internationally scattered teams in developing Test Plans, Test Strategies and Test Execution for several projects.

TEST ANALYST

2005 – 2008

Hewlett-Packard (former Electronic Data Systems)

EDUCATION

GAME DEVELOPMENT

2010 – 2012

PUC-PR - Pontifícia Universidade Católica do Paraná

Curitiba, PR - Brazil.

ELECTRICAL ENGINEERING

2002 – 2006

FEI - Fundação Educacional Inaciana

São Bernardo do Campo, SP - Brazil.
